Dear parents and carers,

It has been so lovely to welcome our children back after half term. We are already looking forward to a busy and fun packed term ahead of us.

**School photographs**

The school photographer will be in school this week on **Thursday 10<sup>th</sup> November**. Children will have their individual photos taken as well as sibling groups. Parents and carers can then chose which (if any) photographs they would like to purchase. So hairbrushes at the ready!

**Flu nasal spray immunisation**

On **Thursday 17<sup>th</sup> November** the immunisation team will be in delivering the flu nasal spray. This is a pain free way of protecting our children from becoming unwell. Please complete a consent form if you have not already. There are additional forms in the school office.

**Enjoyment, Compassion, Excellence, Perseverance, Respect, Community, Responsibility**

### Parents evening

Thank you to all of our parents and carers who came to school on Wednesday evening. It was lovely to welcome so many of you back into school for you to see how well your children are working. I know there are still some appointments that teachers are doing this week.

### Breakfast club

Our breakfast club is something we are proud of. Our children receive excellent care as well as a tasty breakfast. From now, we are going to make the last entry to breakfast club at **8:20am**.

### Start of school day

In the morning, you can come onto the yard from **8:40am** and doors will be open for children to come straight in. Learning starts at **8:45am**.

### Change in school uniform policy

From 2023, our **summer uniform policy** is going to slightly change. We are going to have red summer dresses for any child who chooses to wear them. This is to keep more in line with our school colours. Red summer dresses are widely available from many shops including supermarkets. As this is new guidance, children will still be able to wear their blue dresses from this year if they still fit as I do not want any additional cost for families. However, the blue dresses are to be phased out for **red dresses**.

**Children in Need**

Children in need is on **Friday 18<sup>th</sup> November** and we will be celebrating this is school. A letter and sponsor form will be going out with the children. Children can wear own **'sporty clothes'** for a **£1** donation, or they can wear their school PE kit. The children will be collecting sponsor money for completing a 'crazy assault course' in school. We recognise the financial stress on families now and we only ask for what people can afford.

Schools are also under tremendous financial stress, in order to ensure that our children still get the same opportunities in school we need to do fundraising events. To minimise the demand on our families we are **merging Children in need with some school fundraising**. **80% of all we raise will go to Children in Need and 20% will go to school funds**. This is to pay for Christmas activities, reading resources and money towards trips etc. Any money in school funds goes back to directly benefit our children.

Thank you for your continued support.

Mrs C.Foden  
Headteacher
