

Look at Y2's learning adventure this half term....

In Mathematics...

We will become little experts at counting, comparing and ordering numbers to 100. We will use objects, number lines and pictures to help us. We will recognise 10s and 1s. We will then begin to look at counting in 2s, 5s, 10s and 3s.

In Science...

In the topic of animals we will investigate animal habitats and look at their life cycles.

In music... West African call and response song (Theme: Animals) Using instruments to represent animals, copying rhythms, learning a traditional Ghanaian call and response song and recognising simple notation, progressing to creating call and response

In P.E...

Through a theme of pirates and bikes we will improve our footwork and one-legged balance.

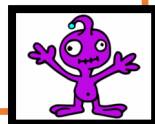

Safety Messages...

Internet safety

In phonics...

Learning to read is important to us. Through our engaging Monster Phonics scheme children will learn and practice sounds every day.

Year 2

Autumn 1 Curriculum

In History...

We will enjoy studying how nurses like Florence Nightingale, Edith Cavell and Mary Seacole helped to keep us healthy.

Extra- Curricular

Clubs

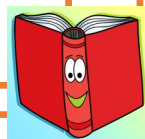

Reading club
Music club
Dance club

In English...

We are reading the beautiful story called 'The Night Gardener'. We will develop our descriptive writing by extending our sentences using adjectives and write our very own story. Then we will write a diary. Along with this we will read and spell daily.

Art/Design Technology

We will look at Henry Ford to help design and make and evaluate a moving vehicle.

In Jigsaw/PSHE...

We will learn how to create a safe and fair learning environment. We will value each others' contributions and recognise feelings.

In Computing...

Learn about technology in our world, the benefits and how to use it safely.

In R.E...

Through the topic of Islam we will develop a deeper understanding of Muslim's and what they believe.

Special events

We are learning a poem off by heart to perform in front of an audience in the hall.

Places to visit...

Explore gardens and outdoor spaces to look at habitats.

How can you help at home?

Along with supporting reading and homework, share some quality time talking together daily, like going for a walk or enjoy a hobby or interest, Bedtime stories are a beautiful way to end the day!
