

Look at Y5's learning adventure this half term....

Broad Square Primary School

In Mathematics...

We will become experts working with the place value of numbers up to 10,000. We will also be mastering our skills in addition and subtraction.

Each day we set aside some time to practise times tables.

In Science...

Describe the movement of the Earth, and other planets, relative to the Sun in the solar system. Describe the movement of the moon relative to the Earth. Use the idea of rotation to explain night and day.

In Geography...

Be geographers using maps and pictures to understand why the state of California is so arid.

In P.E...

Improve skills in swimming along with a weekly PE session, which helps children to react positively to improve performance when developing ball skills and agility.

In English...

We will be enjoying a space themed book called 'When we walked on the moon' and writing our own exploration story and a formal report to recount. We are continuing to promote reading for pleasure and practise our grammar and punctuation everyday as well as developing our handwriting and presentation skills.

Year 5

Autumn 1 Curriculum

Extra- Curricular

Clubs

Football coaching, , Choir, guitar, film club, cross country, bikeability, book club.

In French...

Follow simple French instructions by following commands in school.

Art/Design Technology

Study the work of architect Gaudi to produce a painting reflecting his style.

In Jigsaw/PSHE...

Learn about 'Being me in my world'. Develop understanding of rights and responsibilities in class and the wider world.

In Computing...

Computer systems and networks. Become experts when searching on the internet, along with ranking and safe searches.

How can you help at home?

Along with supporting homework, share some quality time together daily, like going for a walk or enjoy a hobby or interest – we are never too old for a bedtime story!

In Music...

We will be composing music in the theme of ancient Egypt.

In R.E...

Children learn about the stories of the prophets within the Islamic beliefs.

Special events

Join us in our second Broad Square scarecrow festival at the end of term. Look out for more details to follow...

Why not visit...

Our very own space museum that we will create in our school.
