

Look at Y4's learning adventure this half term....

Broad Square Primary
School

In Mathematics...

We will continue to develop our addition and subtraction skills and solve one and two step problems.

Measure area of squares and compare area of shapes. Multiply and divide by 3, 6 and 9, 7, 11 and 12.

Each day we set aside some time to practise times tables.

In Science...

Be scientists by investigating sound; how sounds are made and reach the ear. Investigate pitch and volume.

In Geography...

Be geographers by using maps and census data to find out about population, comparing London with Cardiff.

In P.E...

We are developing our jumping and landing skills and seated balance.

In English...

Read the beautiful story 'Leaf' and produce a story. Then use knowledge to write an information sheet along with daily reading, spelling and grammar activities.

Year 4 Autumn 2 Curriculum

In History...

You will be historians learning how the Roman army, Julius Caesar and the early emperors. Complete a depth study on Pompeii.

Extra- Curricular

Clubs

Rubik cube club
Choir

Trip

Norris Green Park

In French...

Join in with French stories with a focus on likes and dislikes.

Art

We will explore how to paint brush strokes in the style of Van Gogh. We will create our own composition based on a photograph from the local environment

In Jigsaw/PSHE

Celebrate differences by accepting self and others and understanding influences.

In Computing...

Learn about programming and coding using Scratch.
Continue online safety.

In Music...

We will learn all about Rock and Roll music, including playing the Hand Jive and Rock Around the Clock!

In R.E...

Christianity - We will learn about the religion of Jesus and the birth of Jesus.

How parents can support at home

Along with supporting homework, share some quality time together daily, like going for a walk or enjoy a hobby or interest — we are never too old for a bedtime story!
