

Look at Y5's learning adventure this half term....

In Mathematics...

We will count, compare and order negative numbers. Become confident when using mental and written methods of multiplication and division. Solve problems and interpret reminders appropriately. Each day we set aside some time to practise times tables and division facts.

In Science...

Learn about forces including gravity, air resistance, buoyancy and recognise that some mechanisms allow a smaller force to act upon them.

In Geography...

Be geographers by looking at the oceans of the world and understanding why how our climate can affect change.

In P.E...

Improve skills in swimming along with a weekly PE session, focusing on balancing on a line and counter balancing with a partner.

In English...

We will be enjoying the beautiful story of Farther and producing our own story based on it along with a letter. We love reading and practising our grammar and punctuation and spelling everyday and are developing our handwriting and presenta-

Year 5 Autumn 2 Curriculum

In History...

You will be historians learning about the Anglo-Saxon Britain.

Extra-Curricular

clubs

Football coaching
Rubik cube club
Choir
Cross-country
Film club

In French...

Follow simple French instructions by following commands in school.

In Design Technology...

Become designers when building a bridge structure. Reinforce the bridge and evaluate design and making

In Jigsaw/PSHE...

Learn about 'Being me in my world'. Develop understanding of rights and responsibilities in class and the wider world.

In Computing...

Computer systems and networks. Become experts when searching on the internet, along with ranking and safe searches.

In Music...

We will be learning about the history of the blues, the twelve bar blues and improvisation of blues music.

In R.E...

We will be learning about the festival of Eid.

Special events

Join us for our Christmas performance on 21st December.
Christmas party on 22nd December.

Visitors/enrichment

The world museum.

How can you help at home?

Along with supporting homework, share some quality time together daily, like going for a walk or enjoy a hobby or interest – we are never too old for a bedtime story!
