

# Look at Y1's learning adventure this half term....

Broad Square Primary  
School

## In Mathematics...

Everyday we will practise our number skills.

We will develop our knowledge and understanding of numbers and place value of numbers to 20.

We will use this knowledge of numbers to add and subtract within 20.

## In Science...

Be able to identify and name some everyday materials and describe the properties of the materials.

## In music...

Learn about tempo through the theme of using music to make the world a better place.

## In P.E...

Through a theme of trains and tight ropes we will balance our bodies showing strength. .

## In phonics...

Learning to read excites us and we are getting better everyday, We use our Monster Phonics work to help us learn our sounds and will enjoy a range of books in class and at home this term.

# Year 1

## Spring Term 1 Curriculum

## In History...

Learn why London was a safer place to live after the Great Fire of London.

## Extra- Curricular

### Enrichment club
