

Look at Y2's learning adventure this half term....

Broad Square Primary School

In Mathematics...

We will look at pound and pence and compare. Can we make amounts from coins?

Using grouping and arrays we will begin to understand multiplication and use the \times sign,

Daily retrieval practise will help us to recall our learning.

In Science...

Be able to identify and name everyday materials and decide if they are suitable. We will investigate how solids can be squashed, stretched and bent.

In phonics...

Learning to read excites us and we are getting better everyday, We use our Monster Phonics work to help us learn our sounds and will enjoy a range of books in class and at home this term.

In music...

Explore feelings through music and how music makes the world a better place.

In P.E...

Through a theme of trains and tight ropes we will balance our bodies showing strength..

In History...

Learn about women explorers and adventurers Sacagawea, Amelia Earhart and Ellen MacArthur.

Extra- Curricular

Enrichment club

Music club

Fun phonics

Year 2

Spring Term 1 Curriculum

In English...

We will be enjoying the Story of the River and write our own circular story. We love reading and practising our grammar and punctuation everyday and are developing our amazing handwriting.

In DT

Become textile designers when designing and making a puppet. Study designer Jim Henson.

In Jigsaw/PSHE..

Set realistic goals, learn how to work with others and share successes.

In Computing...

We will become computer programmers giving instructions and routes by designing algorithms.

In R.E...

Learn about Jewish people and what they believe.

Safety messages

Online safety
Safe use of needles when sewing

Visits/visitors

Local environment walk

How can you help at home?

Along with supporting homework, share some quality time talking daily about something you enjoy. Why not look for numbers in the environment on a walk and enjoy a range of fiction and non-fiction books.
