

# Look at Y4's learning adventure this half term....

Broad Square Primary  
School

## In Mathematics...

We have a big unit on multiplication and division, learning facts, see them in different representations and solve problems using their knowledge. Along with this, daily retrieval practise and work on TT Rockstars will help us to remember and recall our learning.

## In Science...

Investigate solids, liquids and gases and how they can change state. Study the water cycle and make connections with temperature and evaporation.

## In geography...

Learn about coastal processes and how the coast is formed and changes over time.

## In P.E...

Develop balancing on a line and coordination through ball skills.

## In music...

Children learn what ballads are, how to identify their features and how to convey different emotions when performing them.

# Year 4

## Spring Term 1 Curriculum

## In History...

Learn about the Roman Empire and what changed in Roman Britain.

## Clubs

Rubik cube club  
Choir  
Library club  
Book club

## In English...

We will be enjoying the tale of Arthur and the Golden Rope and writing our own story and explaining how to defeat a monster. We love reading and practising our grammar and punctuation everyday and are developing our handwriting and presentation.

## In DT

Design and make a moving model using pneumatics looking at Disney engineering and Temple Grandin.

## In Jigsaw/PSHE..

We will think about realistic hopes and dreams and develop resilience techniques.

## In Computing...

Use programming to move shapes and letters using repeats and loops.

## In R.E...

Learn about the life and teachings of Jesus in Christianity.

## Safety messages

Online safety  
Handling hot water

## Visits/visitors

Chester DEWA trip

## How can you help at home?

It is expected that at the end of Year 4 most pupils will know all of their x tables facts—it would really benefit the children to do some daily practise on TT Rockstars.
