Years 1&2 winning class	Class 1H	99.6% (WOW!!)
Years 3&4 winning class	Class 4B	94.7%
Years 5&6 winning class	Class 5R	96.2%

Dear parents and carers,

This half term seems to have flown by, yet our wonderful children have achieved so much. Our week started with a performance of The Secret Garden in the school hall. Years 1 – 6 enjoyed the singing and acting; it was such a great way to start our week.

On Thursday our wonderful school choir went to Monksdown Primary school to perform. The children were absolutely AMAZING! There are reports of staff from other schools having a tear in their eye as our children sang so beautifully. Thank you to Miss Carroll for all of your hard work with the choir and for the staff that accompanied our children along the way.

Over half term we are hosting our first ever holiday club. This is for Year 3 and 4 pupils and children who are attending have been informed. We hope that this is a success and it is something that we can offer out to more children in the future.

Today our Nursery and Reception children have celebrated Chinese New Year. They had a great time and even tried some Chinese food. Also, this week our year 1 children witnessed their very own 'Great Fire of London'! They made their own houses and, very safely, Miss Holt demonstrated how the fire spread along the houses that were built so close together.

Wonderful News

Our fabulous Mrs Iveson has had her baby girl. Baby Phoebe was born this morning and mother and baby are doing great. We send them all of our love.

Enjoyment, Compassion, Excellence, Perseverance, Respect, Community, Responsibility

Upcoming events

We will be marking **World Book Day on Thursday 7th March**. Fancy dress (book characters) is optional for the children, or children are welcome to come in to school in pyjamas under the theme 'Bed time stories'. More information will be sent out closer to the time.

Science Ambassadors

Miss Stewart is looking to recruit science ambassadors from years 3 –6!
Responsibilities

- Attending meetings to discuss the ways we can improve Science.
- Volunteering at the school Science Week/science club
- Assisting the class teacher when setting up Science lessons.
- Be involved in organising and choosing winners for competitions.
- *Carry out pupil voice interviews about Science*

How to apply

Either write a letter, poster or video etc explaining why you love science and would make a great ambassador! Maybe you could talk about who your favourite scientist is and why?

Closing date

Friday 23rd February – please hand applications to Miss Stewart

Easter celebrations – Nursery, Reception, Year 1 and Year 2 pupils are holding an **Easter Bonnet competition**. Children can make their own Easter Bonnet; they will have a parade and we will select winning entries.

KS2 (years 3-6) are also welcome to make a Bonnet. Alternatively they can design and make/decorate an egg for their competition. These should be brought into school on the last day of term: Thursday 28th March. More details will be sent out closer to the time.

Parents evenings: Next half term parents evening will be held on **Wednesday 20th and Thursday 21st March**. Again, more details will be sent out closer to the time.

Finally, I would like to thank you all for your continued support. Have a wonderful half term break and we look forward to seeing all of our children back on **Monday 19th February**.

Many thanks,

Mrs Foden

Headteacher
