Dear parents and carers,

We are now two thirds of the way through the school year and the children and school community have so much to be proud of.

This morning Year 1- Year 6 had a wonderful celebration assembly where we congratulated children on their achievements. We also looked at the winning classes for attendance for the half term. Mr Singleton also drew our attendance winner for this half term, from all of the children who were 97% attendance or more. Our wonderful Amber from year 4, who has had an impressive 100% attendance was the lucky winner. She promised to share her prize with her family.

Our nursery, reception, year 1 and 2 children all gathered in the hall for a very impressive Easter Bonnet parade. The children looked wonderful. Our junior children have also been creative, making and decorating Easter eggs and scenes. These have been shared and celebrated in school today. Thank you to all of the parents and carers who have helped the children be so creative and have fun and I apologise for the mess that some of your carpets must be in after all of the crafting. Lots of photographs should be appearing on Twitter (X).

Our school council drew our easter raffle prizes and competition winners today, all of the winners have been contacted to collect their prizes or handed directly to the children. We have raised £602 for our school fund. Well done and thank you everyone who got involved. A special thank you to Mrs Baldwin who organised this fundraising event.

Our school therapy dog, Zuma, has not been in for a couple of weeks as he been poorly. Zuma is loved by all of the children and staff who he works with at Broad Square. We wish Zuma a speedy recovery and hope he can get back to work soon.

Parking outside school

I have received another complaint from one of our local residents about inconsiderate parking across their driveway. Please, please can I ask parents and carers to be careful and considerate when parking and never park over someone’s drive. Thank you.

Children return to school on Monday 15th April. Can I wish all of our children, families and friends a Happy Easter and I hope you all have a wonderful break. As always, thank you for your continued support.

Kind regards,

Mrs Foden
