Years 1&2 winning class	Class 2M	95.5%
Years 3&4 winning class	Class 4B	96.9%
Years 5&6 winning class	Class 6E	95.7%

Dear parents and carers,

It seems that the warmer weather is finally here. As the weather improves can I remind parents and carers to send their children to school with a bottle of water. If the weather significantly improves, we recommend applying sun cream before school and that the children bring in sun hats to keep safe in the sun.

We have lots of fun things planned for the summer term; with year group trips, our year 6 residential and we will be celebrating the Olympics with our 'Road to Paris' sports events. We will keep you updated of all dates and details through upcoming newsletters and on our school website through the calendar.

SATs

Our year 6 children have been working particularly hard to prepare for their upcoming SATs. These start on **Monday 13th May** and run for the week, ALL children in year 6 must be in every day to complete these. Well done year 6, we are already extremely proud of you.

Pyjamarama

On **Friday 17th May** we will be completing our **'Pyjamarama sponsored read'** in partnership with the Book Trust. Children (and staff) are invited to wear their pyjamas for school and complete a sponsored read. The money raised will allow us to buy books for each classroom, we will be asking the children what books they would like to make sure that our class libraries are packed with high interest books. Mrs Baldwin will be sending more information out about this next week along with sponsor forms.

Year 5 artists

Our year 5 children have produced some excellent art work based around the work of Gaudi, they were all entered into a national competition and 3 of our children were made finalists. They have been invited to a prize giving in St George's hall with the possibility of their work being displayed. Well done to.....

Safeguarding Assembly

This week's assemblies have been around the NSPCC's 'Speak out, stay Safe' campaign. Our children discussed important messages around keeping themselves and others safe. As always Mrs Taylor was very impressed with how sensible and caring our children are when learning these important safeguarding messages.

Reception September 2024

If your child has been allocated a place in our reception for September 2024, please contact the school office (if you haven't already) to confirm your place.

Nursery September 2024

We are in the process of working through our applications for nursery places, if you have an application in already, you will have a place and we will send out information during the month of May. If you have not put an application in yet, or know a child who would like a place in our nursery please contact the school office to secure a place.

Parking

Again, I ask everyone to be respectful and safe when parking around the school. It is never acceptable to park over someone else's drive. Thank you for your cooperation.

This weekend is a bank holiday weekend, we hope all of our children and families have a wonderful time and we look forward to seeing all of our children on Tuesday 7th May.

Kind regards,

Mrs Foden
