

# Look at Y4's learning adventure this half term....

## In Mathematics...

We will become experts working with the place value of numbers up to 10,000.

We will also be comparing and rounding numbers to 1000.

Each day we set aside some time to practise times tables.

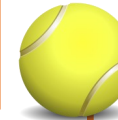

## In Science...

Be scientists by investigating electrical circuits. Recognise common conductors and insulators.

## In P.E...

We are developing our footwork and balance through games and gym work.

## Extra-Curricular

### Clubs

Choir  
Library  
face painting  
Cross country  
football

# Year 4

## Autumn 1 Curriculum

## In English...

We will read 'The Whale', a book based on visual storytelling of a local legendary tale. The children will create their own stories, along with daily reading, spelling and grammar activities.

## In History...

You will be historians learning about how Anglo-Saxons lived.

## In French...

Join in with French stories with a focus on learning animals and colours.

## Art/Design Technology

We will be looking closely at the work of Vincent Van Gogh and creating our own piece of art inspired by him.

## In Jigsaw/PSHE

Being me in my world-making good decisions as part of a class.

## In Computing...

Learn about Computing Systems and networks with a focus on the internet and safe searches.

## In Music...

We will look at body and tuned percussion, to inspire our compositions we will use a 'rainforest' theme.

## In R.E...

We will look at 'The Family of Jesus' looking at key figures in the build up to Jesus' birth, including Elizabeth.

## Special events

We will be learning off by heart a poem to perform in assembly

## Safety messages

Internet safety  
PANTs rule

## How parents can support at home

Along with supporting homework, share some quality time together daily. Can we please ask that children are using Times Tables Rock Starts daily to help with learning their multiplication tables.
