

Look at Y6's learning adventure this term....

Broad Square Primary School

In Mathematics...

We will work with numbers up to 10,000,000, understanding place value and developing skills in comparing, ordering and rounding, along with addition and subtraction using place value. We will improve our problem solving skills and work with negative numbers, multiples, prime, square and cube numbers.

In Science...

We will explore the idea of how light travels in straight lines and how we see things that are reflected into our eyes. We will also look at how light is refracted when it travels through water.

In P.E... We will learn to react positively to improve performance and develop ball skills and agility especially our netball skills

In English...

We will be reading *Rose Blanche* by Ian McEwan to inspire a range of writing in different genres. We continue to practise our reading, grammar and punctuation and spelling everyday and are developing our handwriting and presentation.

Year 6 Autumn 1 Curriculum

In History...

Through the theme of World War Two, learn how a war so far away affected our city and the people within it. We will debate the causes of World War 2 and look at historical sources.

Extra-Curricular clubs

Cross-country
Fitness club
Football
Choir
Book club
Well-being club
Craft club

In French...

Be more fluent in recalling numbers up to 100 in French through stories and games. We will revise key stage 2 topics.

Art/Design Technology

We will develop drawing and colour work using different media in response to music. Study the work of Kandinsky, Melissa McCracken and Billy Eilish.

In Jigsaw/PSHE...

In a unit called 'Being me in my world', children will learn about democracy and being a good role model.

In Computing...

We will look at how to use sprite lab and continue to work of coding skills through use of Code Studio.

How can you help at home?

Along with supporting homework, share some quality time together daily, like going for a walk or enjoy a hobby or interest – we are never too old for a bedtime story!

In Music...

Appraising the work of Mendelssohn and further developing improvisation and composition skills.

In R.E...

Children learn about The Teaching of Gurus in Sikhism.

Special events

Children will have opportunity to participate in special Year 6 responsibilities. They will prepare for and take part in a poetry performance in our Friday assembly.
