

Look at Y2's learning adventure this half term....

In Mathematics...

We will develop our skills of addition and subtraction. Using equipment will help us to develop deeper understanding. We will use number lines. We will look at 2D and 3D shapes. Counting in 2's 5s and 10s at home will help us to develop our skills further.

In Science...

We will continue to explore and investigate materials in our environment

In music...

Enjoy the Christmas song Ho, Ho, Ho to rap and improvise with a focus on pulse and rhythm.

In P.E...

We will improve our footwork and one-legged balance..

Safety Messages...

Internet safety
Bonfire and firework safety

In phonics...

Learning to read is important to us. Through our engaging Monster Phonics scheme children will learn and practice sounds every day.

Year 2 Autumn 2 Curriculum

In Geography...

We will contrast our local area with St Lucia which is a non-European country.

Extra-Curricular

DT club
Performing Arts club

In English...

We are reading a book called 'The Night Gardener'. We will develop our descriptive writing and extend our sentences using when, if, that and because then write our very own story. Then we will write a letter to inform. Along with this we will read and spell

Art/Design Technology

We will study the work of Picasso in Art.
In Design Technology we will make puppets

In Jigsaw/PSHE...

We will learn about stereotypes and gender. Understand how to make new friends and celebrate differences.

In Computing...

Our focus this half term is word processing.

In R.E...

Through the topic of Christianity learn about what Christians believe.

Special events

Join us to celebrate Christmas in our Christmas performance—more to follow.

We hope you are looking forward to your Christmas party during our last week of term.

How can you help at home?

Along with supporting reading and homework, share some quality time talking together daily, like going for a walk or enjoy a hobby or interest, Bedtime stories are a beautiful way to end the day!
