

Look at Y4's learning adventure this half term....

Broad Square Primary School

In Mathematics...

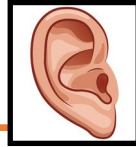

We will continue to develop our addition and subtraction skills and solve one and two step problems.

Measure area of squares and compare area of shapes. Multiply and divide by 3,6 and 9,7,11 and 12. We will consolidate our 2 and 5 times tables and also our squared number facts.

In Science...

Be scientists by investigating sound; how sounds are made and reach the ear. Investigate pitch and volume.

In Geography...

Be geographers by looking at regions in the UK and their defining human, physical and topographical features.

In P.E...

We are developing our jumping and landing skills and seated balance.

In English...

Read the beautiful story 'Leaf and produce a narrative. Then use research to write an information sheet along with daily reading, spelling and grammar activities.

Year 4 Autumn 2 Curriculum

In Computing...

Learn about advanced text and graphics in word processing and creating media with animation.

Continue online safety and coding.

Extra-Curricular

Clubs

Performing Arts

Choir

Face painting

Cross Country

In French...

We will use our French vocabulary to talk about home and school

Art/Design Technology

Through the theme of 'Let there be light!' Children will produce a torch using electrical circuits and research inventors including Thomas Edison

In Jigsaw/PSHE

Celebrate differences by accepting self and others and understanding influences.

In Music...

We will learn all about Rock and Roll music, including playing the Hand Jive and Rock Around the Clock!

In R.E...

Christianity - We will learn about the religion of Jesus and the birth of Jesus.

Shows, events and Concerts

Join us for our LKS2 Christmas Performance on Tuesday 16th December.

Bonfire and firework safety

How parents can support at home

Along with supporting homework, share some quality time together daily, like going for a walk or enjoy a hobby or interest - we are never too old for a bedtime story!
