

Look at Y2's learning adventure this half term....

Broad Square Primary School

In Mathematics...

We will look at pound and pence and compare. Can we make amounts from coins?

Using grouping and arrays we will begin to understand multiplication and use the \times sign,

Daily retrieval practise will help us to recall our learning.

In Science...

We are looking at identifying animals in their natural habitats.

In music...

Explore feelings through music and how music makes the world a better place.

In P.E...

Through a theme of trains and tight ropes we will balance our bodies showing strength..

In phonics...

We use our Monster Phonics work to help us learn our sounds and will enjoy a range of books in class and at home

Year 2

Spring Term 1 Curriculum

In History...

Learn about local Liverpool heroes including Kitty Wilkinson

Extra-Curricular

Enrichment club

Performing arts clubs

DT club

In English...

We will be enjoying the story of the 'Bog Baby' and write our own circular story. We love reading and practising our grammar and punctuation everyday and are developing our amazing handwriting.

In DT

Food and Nutrition- we will identify where food comes from and identify food groups. We will investigate basic hygiene practices.

In Jigsaw/PSHE..

Set realistic goals, learn how to work with others and share successes.

In Computing...

We will become computer programmers giving instructions and routes by designing algorithms.

In R.E...

Learn about Jewish people and what they believe.

Safety messages

Online safety-keeping information safe online.

Visits/visitors

Liverpool Anglican Cathedral

How can you help at home?

Along with supporting homework, share some quality time talking daily about something you enjoy. Why not look for numbers in the environment on a walk and enjoy a range of fiction and non-fiction books.
