

# Look at Y3's learning adventure this half term....

## In Mathematics...

We will use the language of multiples and link multiplication with division. We will learn how to multiply and divide with formal written methods and apply these skills in reasoning and problem solving. Daily TT Rock Stars.

## In Science...

We will learn that humans have skeletons and muscles and that we need nutrients from food to keep us healthy.

## In P.E...

Develop our jumping skills. Improve coordination through ball skills.

## In Computing...

We will be looking at how to recognise the kind of information we need to keep private.

We will be exploring changes in font and colour to produce a poster.

# Year 3

## Spring Term 1 Curriculum

## In History...

Learn about how early civilisation started with Egypt. We will be comparing the Egyptian time period to the Neolithic time period in Britain and exploring the ancient gods and their belief in the afterlife.

Clubs  
Choir

## In English...

We will be enjoying the beautiful story Rhythm of the rain and write a setting and information leaflet. We love reading and practising our grammar and punctuation everyday and are developing our handwriting and presentation.

## In Art

We will be exploring the artist Kaori Kurihara. We will focus on our drawing and sculpture skills by planning and creating a sculpture of fruit and vegetables.

## In Jigsaw/PSHE..

Set realistic goals, learn how to work with others and share successes.

## In music...

We will be moving and singing as a team and exploring simple notation.

## In R.E...

Learn about the lives and beliefs of Hindu people and link to stories we have learned already in Y3.

## Safety messages

Online safety  
Eating a balanced diet

## French

We will learn the numbers to 20 and practise saying our name.

## How can you help at home?

We are having a real push on reading, spelling and times tables. Please encourage your child to practise spelling, read daily and practise their skills on TT Rock Stars.
