

Look at Y6's learning adventure this half term....

In Mathematics...

Daily retrieval practise will help us to recall our learning from previous units.

We will continue our work on fractions, decimals and percentages. Children will build their fluency, as well as honing their reasoning and problem solving skills. Children will learn about position and direction.

In Science...

Describe how living things are classified based on their characteristics and give reasons for this. Investigate similarities and differences.

In History...

Children will learn about the Trans-Atlantic Slave trade and how it impacted our city of Liverpool.

In P.E.

Refine our strength, flexibility, balance and control through gymnastics.

In Computing...

We will be looking at inputs and variables. We will design, write and debug programs that accomplish specific goals.

Year 6

Spring Term 1 Curriculum

SATs preparation

We will continue to ensure that our children receive a broad and balanced curriculum along with booster sessions.

Clubs

- Boosters
- Well-being Club
- Football
- Choir
- Craft Club

In English...

We will be enjoying the book *On the Origin of the Species*, a picture book retelling of Charles Darwin's Theory of Evolution. We love reading and practising our grammar and punctuation and spelling every day and are developing our handwriting.

In music...

We will explore film music and the impact that it has on the feeling of the film. We will identify different instruments and describe how music evokes different emotions.

Safety messages

Keeping safe online.

In R.E...

We will learn about stories which point to truth. We will learn all about Aesop's fables and how they help people to live a moral life.

In Art

We will look at 3D sculptures of skulls, studying their evolution. Our key artist is Ramesh Mario Nithiyandran.

In Jigsaw/PSHE..

We will think about future dreams and goals, emotions in success and making a difference in the world.

How can you help at home?

It is vital children read at least 3 times a week, and practise their spellings and times table facts. These need to be secure as soon as possible. Please monitor your child's time on devices.
