

Look at Y1's learning adventure this half term....

Broad Square Primary School

In Mathematics...

Everyday we will practise our number skills.

We will develop our knowledge and understanding of numbers and place value of numbers to 20.

We will use this knowledge of numbers to add and subtract within 20.

In Science...

Be able to identify and name some everyday materials and describe the properties of the materials.

In music...

In this unit, children make links between music, sounds and environments and use percussion, vocal and body sounds to represent the seaside.

In P.E...

Through a theme of trains and tight ropes we will balance our bodies showing strength.

In phonics...

Learning to read excites us and we are getting better everyday, We use our Monster Phonics work to help us learn our sounds and will enjoy a range of books in class and at home this term.

Year 1

Spring Term 1 Curriculum

In History...

Learn why London was a safer place to live after the Great Fire of London.

Extra-Curricular

Enrichment club

Technology club

Fun phonics

In English...

We will be enjoying the tale of Hermelin and writing the story and a letter We love reading and practising our phonics everyday and are developing our handwriting.

In DT

We will look at structures and buildings to plan, design and make our own structure.

In Jigsaw/PSHE..

Set goals, identify successes and tackle new challenges..

In Computing...

Connect code blocks and carry out simple debugging tasks.

Online Safety:

Know when to speak out and ask for help.

In R.E...

Learn what it means to belong to a Christian, Muslim and Jewish faith.

Safety messages

Who to contact in an emergency
Fire safety

Visits/visitors

A visit from a fire-fighter

How can you help at home?

Along with supporting homework, share some quality time talking daily about something you enjoy. Why not look for numbers in the environment on a walk and read, read and read some more!
