

# Look at Y3's learning adventure this half term...

Broad Square Primary School

## In Mathematics...

We will be exploring fractions. We will investigate measuring in weight and capacity. Daily retrieval practise will help us to recall our previous learning

## In Science...

We will learn to identify and describe the functions of different parts of a plant. We will explore the requirements of plants for life and growth. We will be looking at the life cycle of flowering plants including pollination and seed dispersal.

## In geography...

We will explore natural disasters and the impact of extreme weathers.

## In P.E

We will learn, develop and apply flight and balance on the floor, on low and large apparatus through focused skill development and games.

## Clubs

Choir

Performing Arts

Cross Country

## In music...

We will match our movements to music and accurately notate and play a pentatonic melody. We will play our part in a composition.

Year 3  
Spring  
Term 2

## In Computing

Computers and networks  
Computer science—  
loops

## In English...

We will be enjoying the intriguing story of Jemmy Button and write return narrative and a letter. We love reading and practising our grammar and punctuation everyday and are developing our handwriting and presentation.

## In DT

We will begin to look designers and their work in order to create our own structure.

## In R.E...

Learn how stories from the Hebrew bible shaped Judaism and why the promised land is so important in Judaism.

## In Jigsaw/PSHE..

Learn to make healthy and safe choices towards food, exercise and drug education

## Safety messages

Online safety

Road and fire safety

## In French....

Learn the numbers 20-50 and explore date/ birthdays

## How can you help at home?

Please encourage your child to practise spelling. read daily and practise their skills on TT Rock Stars. Celebrate World Book day by visiting a library or enjoy some books together. Take a picture reading in unusual places.
