

# Look at Y6's learning adventure this half term....

## In Mathematics...

Daily retrieval practise will help us to recall our prior learning.

We will continue our work on measure and geometry. Children will learn about metric and imperial units, as well as how to draw and measure angles. Children will revise the properties of shape before learning ratio and proportion.

## In Science...

Evolution and Inheritance: Recognise that living things change over time. Recognise living things produce offspring. Identify how animals and plants adapt to suit their environment.

## Our class reader

This half term we will be reading A Series of Unfortunate Events: Bad Beginnings by Lemony Snicket.

## In P.E.

We will work on improvisation, developing technique, and working in groups to create collaborative pieces.

## Clubs

Well-being club  
Cross-country  
football practice  
Choir  
SATs Boosters

## In Geography...

We will learn about sustainable tourism and will learn all about how we can make a positive impact on the places we visit.

# Year 6 Spring Term 2 Curriculum

## SATs preparation

We will continue to ensure that your child receives a broad and balanced curriculum. Booster sessions will continue after school this term.

In French... Clothes and shopping

## In English...

We will be enjoying a book based on Romeo and Juliet by William Shakespeare. We continue to practise our reading, grammar and punctuation and spelling everyday and are developing our handwriting and presentation.

## In Music...

We will explore 'Pop Art' and how variation in images can be reflected in music. We will look at the different sections of the orchestra and their instruments.

## Safety messages

Keeping safe online

## In Computing...

We will focus on the use of spreadsheets.

## In DT

We will create our very own moving vehicles and research important inventors such as Henry Ford and Hedy Lemarr.

## In Jigsaw/PSHE..

We will think about 'Healthy Me', considering how to stay safe from drugs, exploitation and gangs. We will also look at how to manage stress.

## In R.E...

Learn about the ideas about where the universe came from.

## How can you help at home?

It is vital children read at least 3 times a week, and practise their spellings and times table facts. These need to be secure as soon as possible. Please monitor your child's time on devices and check online activity.
