

Look at Y2's learning adventure this half term....

In Mathematics...

We are doing lots of revisiting the skills we have learned so far in Y2. We will also develop our use of measuring length, height, weight and capacity. Daily retrieval practise will help us to recall our learning. Remember talking about maths at home can help.

In Science...

We will be learning about what animals need in order to survive and keep healthy. We will notice how animals have offspring that grow into adults.

In music...

Listen to music that makes us want to dance then sing, play, compose and Perform.

In P.E...

We will be developing our sending and receiving skills using balls and play games.

Extra- Curricular

Enrichment club

Choir

In phonics...

Learning to read excites us and we are getting better everyday, We use our Monster Phonics work to help us learn our sounds and will enjoy a range of books in class and at home this term.

Year 2

Summer Term 1 Curriculum

In History

We will learn about how Kitty Wilkinson changed life for people in our city of Liverpool.

In English...

We will be continuing to enjoy the wonderful story of The Bog Baby to support our writing. We read and practise our grammar and punctuation everyday along with developing our amazing handwriting.

In DT...

We will look at the work of Nadiya Hussain to develop our skills in food, nutrition and cookery.

In Jigsaw/PSHE..

Children will learn about different types of families and explore special relationships, trust and secrets.

In Computing...

We will make music digitally by using patterns and consider how it makes us feel and compare with percussion.

In R.E...

Consider what we can learn from sacred books and the impact this has on the lives of people.

How can you help at home?

This term Year 2 will be supported by their teachers as they take their end of Key Stage 1 assessments. It is a time where they can show off all the progress they have made during their time in KS. Continue to enjoy spending time talking to your child and encourage good sleeping patterns.
