

Look at Y6's learning adventure this half term....

In Mathematics...

Daily retrieval practise will help us to recall our learning from previous units, including fractions, decimals and percentages. Daily retrieval of basic skills will build our fluency, as well as honing their reasoning and problem solving skills. Children will continue their learning of shapes and geometry along with position and direction.

In English...

Our new topic is biographies. We will be researching and writing a biography on an athlete of our own choice.

We continue to practise our reading, grammar, punctuation and spelling everyday, as well as our presentation.

In Science...

Identify and name the main parts of the human circulatory system. Learn about the importance of a healthy diet, exercise and drugs and how nutrients are absorbed by the body.

In PE

We will develop our ball skills and skills in playing dodgeballs, such as agility, balance and hand-eye coordination. We will also be working on teamwork.

In Music...

We will explore a less familiar genre (baroque) by listening to a variety of famous pieces, as well as singing, playing and composing.

In Art...

We will be studying Vivienne Westwood and her influence on 'trash-fash'

In History...

We will study Liverpool and its history and reflect on how our city remembers its significant events

Year 6 Summer 1 Curriculum

In P.E.

Develop balance through stance and footwork coordination when playing games.

SAT's preparation

We will continue to ensure that our children receive a broad and balanced curriculum along with booster sessions in and after school.

Clubs

Ukulele club
Cross-country
Choir
SAT's Boosters
Guitar practice
Well being club

In French... learn about classroom items.

Safety messages

Keeping safe online

In Jigsaw/PSHE..

We will look at healthy relationships and the importance of staying safe online through using technology responsibly.

In Computing...

We will continue to hone our coding skills as well as working on creating our own 3D models.

How can you help at home?

It is vital children read at least 3 times a week, and practise their spellings and times table facts. These need to be secure as soon as possible. Please monitor your child's time on devices and check online activity.
