Dear parents and carers,  
The forecast for next week looks like we are set for some very warm weather. Can I ask that you apply sun cream to your children before school. All children will need a bottle of water and we advise caps or sunhats that can be worn outside. We will limit the amount of time children spend outside in direct sunshine.

I have included times for sports days next week. All sessions will be on the grass section of the playground, next to the MUGA. Following each event our year 6 children will be selling refreshments (cash only), this is part of our summer fundraising efforts. Children are to wear their school PE kits. Following the afternoon events we will allow for children to go with parents but please bear with us as dismissing the children safely will always be our priority. We look forward to a fun filled week ahead.

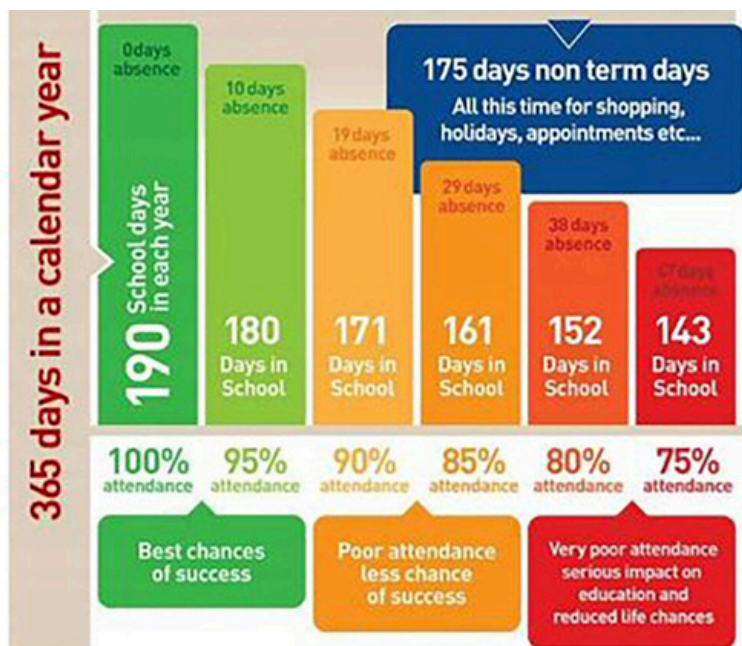

Our year 6's have had a wonderful time away at their residential. I am sure there will be some early nights tonight and lots of busy washing machines. Can I thank the staff team that have taken the children away, taking time away from their own families to ensure our wonderful children have the best time.

Thank you for your continued support.

*Mrs Foden, Headteacher*

# Attendance Matters:

This week we have made reference to an image that is on our school website. This highlights the importance of good attendance and punctuality.

**DID YOU KNOW?** A two week holiday in term time means that the highest attendance you can achieve is 94.7%

**DID YOU KNOW?** If you are 15 minutes late each day you will have missed a full 2 weeks of school in one year?

## Let's look at this week's story

Filmmaker, Pixar, has shared that the new Toy Story 5 film will explore how children are spending more time using screens and digital technology. In the story, the toys worry that tablets, video games, and other devices are becoming more popular than traditional toys. The film has highlighted conversations about how childhood and play are changing.

**UN Rights of the Child**

Every child has the right to play and relax. Toy Story 5 highlights this by asking whether technology allows children to use their imagination as fully as physical play does.

**British Values**  
I Really Do Matter!

Which British values do you think this week's story highlights?

This week's story highlights individual Liberty. Playing gives us the freedom to make our own choices, follow our own ideas, and express ourselves.

Mutual Respect and Tolerance is shown because, just like the characters in Toy Story, playing together helps us learn to respect one another and treat people with kindness.

This story focuses on the protected characteristic of age. Toy Story 5 reminds everyone about the importance of play when growing up.
