

Look at Y1's learning adventure this half term....

In Mathematics...

We will become little experts at counting, comparing and ordering numbers to 10. We will use objects and number lines and pictures to help us. We will then look at making 10 in different ways and learn about number families up to 10.

In Science...

We will learn about lots of different animals and to classify them into groups. We will learn the different body parts and our 5 senses.

In music...

We will explore listening to and keeping the pulse using music and movement.

In P.E...

Through a theme of pirates and bikes we will improve our footwork and one-legged balance..

Safety Messages...

PANTs rule
Online safety

In phonics...

Learning to read is important to us. Through our engaging Monster Phonics scheme children will learn and practice sounds every day.
