

Look at Y5's learning adventure this term....

Broad Square Primary
School

In Mathematics...

We will become experts working with the place value of numbers up to 1,000,000.

We will also be mastering our skills in addition and subtraction.

Each day we set aside some time to practise times tables.

In Science...

Describe the movement of the Earth, and other planets, relative to the Sun in the solar system. Describe the movement of the moon relative to the Earth. Use the idea of rotation to explain night and day.

In P.E...

Improve skills in swimming along with a weekly PE session which helps children to react positively to improve performance when developing ball skills and agility.

In English...

We will be enjoying 'The midnight fair' to complete lots of work for our trespass story. We will also be writing a diary based on 'I go quiet'. We are continuing to promote reading for pleasure and practising our grammar and punctuation everyday as well as developing our handwriting and presentation skills.

Year 5

Autumn 1

Curriculum

In History...

We will be historians by learning how England changed during the settlement of the Anglo-Saxons and Vikings.

Online safety

How can you help at home?

Along with supporting homework, share some quality time together daily, like going for a walk or enjoy a hobby or interest – we are never too old for a bedtime story!
